

Number of positions: 1
(Temporary – not to exceed 45 days)

Job Position: General Maintenance Worker

Rate of Pay: \$ 23.89 per hour, plus benefits

Shift: As Assigned

Location: NAS Pensacola - Hospital

Opening Date: Immediately

Census Code: 735

2000 SOC Equivalent: 49-9042

General: This position requires performing work involving skills to keep the structure of an establishment in repair. Craftsman may work as an independent member of a team.

Basic Qualifications:

Experience: A minimum of five years experience relevant to the job description and working conditions below, performing work involving three or more of the following: HVAC, Plumbing, Carpentry, Masonry, or Structural Trades.

Education Requirements: High school diploma or equivalent.

Licenses and Certifications Requirements: Valid Florida driver's license or equivalent required. A physical exam and respirator fit test may be required (company will arrange).

Immunization Requirements: Evidence or records for the following: an annual PPD or TB evaluation (usually a chest x-ray and questionnaire for those who are PPD converters for the initial evaluation), an MMR if born after 1956, a Varicella (Chicken Pox) history/tier or two shot series, and a Hepatitis B series. If no evidence or records are available, then these requirements will be company provided.

Job Description:

- Replaces electrical receptacles, wires, switches, and fixtures.
- Uses plaster or compound to patch minor holes and cracks in walls and ceilings.
- Repairs or replaces sinks, water coolers, and toilets.
- Paints structures and equipment.
- Repairs or replaces concrete floors, steps, and sidewalks.
- Replaces damaged paneling and floor tiles.
- Hangs doors and installs door locks including panic hardware.
- Performs limited maintenance and minor repairs on small equipment and machinery such as roll-up doors, rolling doors, and motorized automatic gates or doors.
- Replaces ceiling tiles.
- Performs minor roof repairs including shingles, and sheet metal flashing.
- Replaces broken window panes.
- Repairs fencing.
- Utilizes Safety Data Sheets to identify chemical characteristics.
- Completes Work Orders daily and accurately.

- Initiates material requisitions to order parts/materials needed for repairs.
- Assists with material and labor estimates.
- Work also involves other duties as assigned, including compliance with the provisions of the Collective Bargaining Agreement and Company Policies.

Physical Effort: Craftsmen often lift, carry, and handle materials, tools and equipment weighing up to 40 pounds for at least 30 feet and extended periods. They occasionally work in cramped and inconvenient surroundings requiring manipulation of equipment in awkward positions for prolonged periods. Work frequently requires standing, stooping, bending, kneeling, climbing, and working in tiring and uncomfortable positions for extended periods. Must be able to ascend and descend on ladders of various heights. Make repairs and installations from ladders, scaffolding or platforms where parts of systems worked on are frequently in hard-to-reach places.

Working Conditions: The work is accomplished both indoors and outdoors, all climates, including working outside and on top of tall buildings, often exposed to hot sun for extended periods of time. Frequently works in cramped spaces, hot/cold attic spaces, areas with low overheads, and areas with hot/cold, oily, wet, and dusty surfaces. The craftsman may be exposed to moving parts and equipment, or machinery while working in and around electrical equipment and of machinery units. May be called in for off-hours emergency situations including weekends and holidays. On-Call Duty rotation may be required, with company cell phone provided when in a duty status. Limited work required in asbestos containing areas, with company training and protective equipment provided. When notified by the SCADA Desk operator or Supervisor, the employee must arrive at the work site no later than 1 hour after being notified.

*Internal applicants should submit a resume prior to the closing date for consideration
External applicants need to submit a resume/application and a Race-Gender Self-ID form through
the Escarosa Career Center, 3670 – North “L” Street, Pensacola, FL 32505.*

Incomplete applications will not be accepted

Benefits include: Dental /Health Insurance, 401K / Retirement Plan, Holidays, and Paid Time Off
